

Privacy Policy

Last updated 12 November, 2021

The service Kelvin Virtual Private Network (here and after called KelvinVPN) is hereby offered by Demlabs Inc, 7901 4th Street North STE 300 St. Petersburg, FL. US 33702 (hereinafter called Demlabs Ltd). Demlabs Ltd is authorized to provide Users with KelvinVPN on the basis of the agreement with the owner of KelvinVPN software. The owner of KelvinVPN is Demlabs LLC, Registered Number 1185476068766, Address of the Company's Registered Office: 630090, Office 1105, 11, Nikolaeva Street, Novosibirsk, Russian Federation.

This document (hereinafter – the “Privacy Policy”) explains the privacy rules applicable to KelVPN service.

Demlabs Ltd doesn't store and process your email, login, and password in order to provide you access to KelVPN services. You need only a 16-symbols key to get access to KelVPN.

Due to the specificity of KelVPN blockchain architecture, we don't have the ability to collect and store user data, such as name, age, preferences, precise location, IP, and any other personal information by which a user can be recognized.

We also collect some depersonalized statistical data such as the number of KelVPN apps downloads and an operational system to which a user installs our apps. The purpose is to understand our markets and provide our services more efficiently. We don't transfer or sell this information to third parties or to anyone else. Due to all these, you can be sure that we accurately store and process the information defined in this Policy and it will never be sold/transferred to third parties or anyone else.

By downloading KelVPN Apps to your device (a computer, a smartphone, etc.) you make us sure that you give us your consent to collect and process data mentioned in this Policy for purposes mentioned above. You are informed that you can revoke this consent at any time by emailing us.

As for all operations with your payment data, they are processed by Demlabs Ltd, 7901 4th Street North STE 300 St. Petersburg, FL. US 33702. For all operations, which imply the storage of payment data, Demlabs Ltd cooperates with third-party providers, who undertake the separate storage of data.

Please contact us by email at info@demlabsinc.com if you have any questions on our Privacy Policy or you want to enforce any of your rights related to your privacy.
